Hi Suyash Tiwari,

You have been invited to take **PSIT Kanpur - DS - 25-08-2025** by Tredence Analytics.Test Duration: **2 hrs**Start date: **Aug 25, 2025 01:40 PM IST****(Asia/Kolkata)**End date: **Aug 25, 2025 03:40 PM IST****(Asia/Kolkata)**[Start test](#)

OR

Paste the given link into your browser's address bar

<https://www.hackerearth.com/challenges/test/psit-kanpur-ds-25-08-2025/?login=5439c2cac5f9fea0c6a67b5dff61fc2b>

Important

- You can take this test anytime between the start date/time and end date/time.
- Once the test starts, you cannot pause it. The test will run continuously for 2 hrs .
- Your ID needs to be verified for this test. You will need to create a DigiLocker account with Aadhaar before the test.

Before you begin

The practice test helps you to get familiar with the HackerEarth platform and its proctoring settings. There is an automatic system-compatibility check in place before

the test to check if your system is compatible for the test.

[Begin practice test](#)

Regards,

Team Tredence Analytics
